FROSHO APP DEMO

PURPOSE

- *Inventory Management*
- *Track freezer inventory in real time*
- *Reduce manual errors*
- *Allowing stock status checking*

PROBLEM IT SOLVES

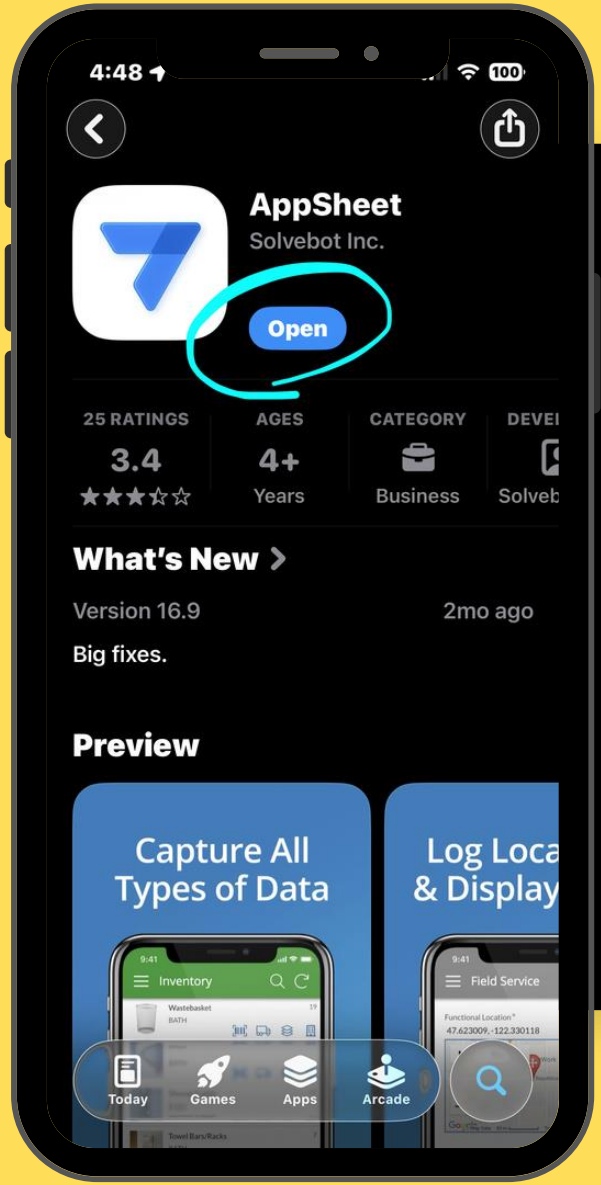
Right now, inventory management is challenging because:

- *manual tracking is slow*
- *inventory can become inconsistent*
- *staff need a faster way to check stock*
- *products can be misplaced or marked incorrectly*
- *communication about availability is harder without one system*

PROBLEM IT SOLVES

1. view freezer inventory
2. search items
3. organize items by category/ status
4. open detailed product records

1. *place items on hold*
2. *update stock availability*
3. *support inventory decisions more efficiently*



DOWNLOAD FROSHO

To access FroSho download AppSheet and log into you work account then the app should show and you can add it to you home screen
